8. CONCLUDING REMARKS

This exercise is intended to make a self analysis of the quality development of the institution during the year. The perspective plan and implementation for every year is to be documented and analyzed to get accumulative index for the period of accreditation and reaccreditation. Any substantial changes/initiative in this direction is to be separately listed. The best practices in various areas can be listed as a separate annexure. The data will be used to create a quality profile based on the total score index arrived at and this would help to map the institutions strengths and areas of improvement.

NAAC will provide feedback and a quality profile based on analysis of your inputs if you desire so. Thank you for your participation
